Dear Parents

Riding a bike or scooter to school is a useful way for children to develop independence and self-reliance. Children need to learn the skills to ride a bike or scooter safely within the local traffic situation and act as responsible riders.

Oakhill Drive Public School requests that parents and students agree to the following principles, before students ride a bike or scooter to school.

- Bikes or scooters must be kept in a safe condition – reflectors, brakes and tyres
- A helmet must be worn
- The road rules must be followed
- Riders must be in Years 3-6
- Bikes or scooters must be wheeled in the school grounds and over the pedestrian crossing
- Bikes and scooters are to be stored in the bike racks and secured with a lock during school hours
- The school will take all due care to ensure that bikes/scooters are kept safe however, students and parents are responsible for the bike or scooter when at school.

Please discuss these requirements with children and return this note to the school office. Your child will then be issued with a Bike Licence that they must bring to school.

Thank you for your cooperation.

David Jenkins
Principal

‘Riding a Bike/Scooter to School’ Agreement

We understand the above rules and requirements and agree to support the school by upholding these rules. We understand that parents are responsible for their child riding to and from school.
